**MOTION To CERTIFY A RULE 23 (b)(2) CLASS,  
And For  
APPOINTMENT of COUNSEL and GOVERNMENT FUNDING**

The issues of this case have nationwide importance. The Internal Revenue Service and the Department of Justice enforce the so-called "income tax" on a wide-range of Americans engaged in occupations of common right, by falsifying IRS records, and knowingly using falsified records to justify extra-judicial and judicial actions. Specifically, the case reveals the collusion among Government lawyers at the very highest levels of the IRS and DoJ to violate the protected rights of the Americans who do not voluntarily create their own income tax liability by swearing out "1040" returns. Congress proscribed conspiracies against rights at 18 USC §241, the IRS falsification of federal records at 18 USC §1001, and the collusion by IRS and DoJ to conceal the underlying crimes at 18 USC §4, (misprision of felony).

IRS has falsified its Individual Master File (IMF) records, the core software which controls its agents' interactions with all Americans, (including the four putative co-Class Representatives Plaintiff, and Messrs. DePolo, Dwaileebe and Ellis), in systematic manner. For evidence proving the institutionalized nature of the scheme, please review the attached "Declaration by Robert A. McNeil in Support of Plaintiff's Motion to Certify a Rule 23 (b)(2) Class and Appoint
