O R D E R

This case is on the Court's November 27, 2006 trial calendar for Houston, Texas. On October 11, 2006, petitioner moved to dismiss because this Court supposedly lacks jurisdiction of "cases concerning allegations of fraud." Even were this true, respondent is asserting only that petitioner owes a deficiency, plus additions to tax for failure to file, failure to pay, and failure to make sufficient estimated tax payments. It is therefore

ORDERED that petitioner's motion to dismiss is denied.
