## *Penalty and Interest*

The penalty and interest charges on your account are explained below. If you want a more detailed explanation of your penalty and interest, please call the telephone number listed on the front of this notice/letter.

### **Paying Late - Internal Revenue Code Sections 6651(a)(2), a(3) and (d)(1)**

We charge a late payment penalty of 1/2 percent of the tax owed for each month or part of a month the tax remains unpaid from the due date, up to a maximum of 25 percent of the tax due. The 1/2 percent increases to 1 percent for each subsequent month or part of a month if the tax remains unpaid 10 days after the IRS issues a notice of intent to levy.

### **Interest - IRC Section 6601**

We charge interest when your tax is not paid on time. Interest is computed from the due date of your return (regardless of extensions) until paid in full. Interest is also charged on penalties for late filing, late payment, over or understating valuations, and substantially understating the tax you owe. Interest compounds daily, except on late or underpaid estimated income taxes for individuals or corporations.

**Corporate Interest -** We charge additional interest of 2 percent if, according to our records, you didn't make your corporate tax (income, employment, excise, etc.) payment within 30 days after we notified you of the underpayment of tax. This interest begins on the 31st day after we notify you of the underpayment on tax amounts you owe over \$100,000, minus your timely payments and credits.
