FREEDOM OF INFORMATION ACT REQUEST

AND

OPEN RECORDS ACT REQUEST

This is a request under the Freedom of Information Act, 5 USC 552, or regulations there under. This is my firm promise to pay fees and costs for locating and duplicating the records requested below, ultimately determined in accordance with 26 CFR 601.702 (f).

If some of this request is exempt from release, please furnish me with those portions reasonably segregable. I am waiving personal inspection of the requested records.

Part 4 Examining Process (4.10.6.1) The Service maintains an ongoing effort to develop, monitor and revise programs designed to assist taxpayers in complying with legal requirements and avoid penalties.

I am in receipt of two separate notices of federal tax liens, issued from Small Business/Self Employed Area #5 (Gulf States), and signed by R. A. Mitchell. These notices were assigned Serial Number 368591307 and 368591407. These notices were allegedly signed on Friday, June 1, 2007 at the Dallas, TX office of the IRS for Roger Caris, Internal Revenue Officer, located in Houston, TX. The two notices of federal liens were subsequently filed with the Harris County Clerk in Houston, Texas.

I am also in receipt of a letter from IRS Small Business/Self-Employed Division, dated Tuesday, June 12, 2007, also signed by R. A. Mitchell, informing me that the liens mentioned above had been filed with the Harris County Clerk on Tuesday, June 5, 2007. Employee Mitchell's title is stated as Director, Campus Compliance Operations, Cincinnati, Ohio.

I have no idea whom to actually contact, or where, so this is being sent out as coherently as possible. As complicated as the Tax Code is, with its thousands of sections and subsections, I cannot understand why trying to figure out whom to contact or where to contact them should be as complicated, hence the many different mailings to the many different locales.

This request is **NOT** to be construed as a request for hearing under IRC §§6320 or 6330 and is **NOT** applicable to a penalty under IRC §6702(b). This FOIA/ORA request is merely for me to understand my tax liability as alleged by the Small Business/Self-Employed Division and is not an attempt to trivialize the importance of the Service or any amount lawfully due.

I do not forgo my rights under IRC §§6320 or 6330 and may request a hearing upon getting a response to this request and consider my actions vital to the fair, open, and equitable administration of the Tax Code.

According to the attached documents, two liens were signed in the Dallas, Texas IRS office, by a Cincinnati, Ohio IRS employee, on behalf of a Houston, Texas IRS Revenue Officer.

In order to clarify this confusing situation, I request that you produce the documents or information requested below:

Information Request 1:

If it is the determination of the Internal Revenue Service that the human being identified in their letter as ROBERT A. MCNEIL is, or was, either a small business OR self-employed during ANY year, then produce the document(s) that state(s) this to be true; and authenticate said document(s) by a Notary or other Court Officer.

Information Request 2:

Produce the documentation found in your office(s) of the aggregate AND total amount of compensation earned by ROBERT A MCNEIL for each year while identified as either a small business or self-employed.

Information Request 3:

Produce the document or authority for the Cincinnati office to mail out letters concerning Small Business/Self Employed persons when it clearly shows on the Small Business/Self-Employed Division At-a-Glance website (<http://www.irs.gov/irs/article/0,,id=101001,00.html>) that the correct office of compliance for the Gulf States is Nashville for collection and Dallas for Examination.

Information Request 4:

Produce the statute, code of Federal Regulation, or Federal Register indicating that the Internal Revenue Service is to base the "income tax" on Title 26 Subtitle A.

Information Request 5:

Produce the document that identifies if the following sections of Title 26 are accurate or titled correctly (a simple statement indicating that each item below is correct will suffice):

- a. Title 26 §7701(a)(1): The term “person” shall be construed to mean and include an individual, a trust, estate, partnership, association, company or corporation.
- b. Title 26 §7701(a)(16): The term “withholding agent” means any person required to deduct and withhold any tax under the provisions of section 1441, 1442, 1443, or 1461.
- c. Title 26 §1441: Withholding of tax on nonresident aliens
- d. Title 26 §1442: Withholding of tax on foreign corporations
- e. Title 26 §1443: Foreign tax-exempt organizations
- f. Title 26 §1461: Liability for withheld tax
- g. Title 26 §1040: Transfer of certain farm, etc., real property

Information Request 6:

Produce the statute, code of Federal Regulation, or Federal Register that indicates that it is the policy of the Internal Revenue Service to base the “income tax” on Title 26, specifically §1040, as it relates to the attached “notice”.

Information Request 7:

Produce the statute, code of Federal Regulation, or Federal Register that indicates specifically and directly what the “Kind of Tax” is, as shown on the two attached “Notice of Federal Tax Lien”; that is, provide the definition of a “1040” tax.

Information Request 8:

Produce the statute, code of Federal Regulation, or Federal Register that indicates specifically and directly the type of taxable activity to which the “1040” tax shown on the attached “Notice of Federal Tax Lien” relates, for EACH year listed on the notice.

Information Request 9:

Because of §7701(a)(1) and §7701 (a)(16), produce the document, statute, code of Federal Regulation, or Federal Register, that shows the Internal Revenue Service’s position that a flesh and blood human being is to be identified as:

- a. A nonresident alien;
- b. A foreign corporation;
- c. A foreign tax-exempt corporation;
- d. An individual;
- e. A trust;
- f. An estate;

- g. A partnership;
- h. An association;
- i. A company;
- j. A corporation, or;
- k. A human being made of flesh and blood.

Information Request 10:

Produce the statute in Title 26, or other authority, that authorizes the Secretary of the Treasury, the Commissioner of Internal Revenue, or their delegates, to issue a “Notice of Federal Tax Lien” to be filed in a county clerk’s office against a human being.

Information Request 11:

Produce the document, statute, code of Federal Regulation, or Federal Register that identifies the section of code or IRS policy that defines “individual” (this does not mean a TYPE of individual; example, married or unmarried).

Information Request 12:

Produce the document, statute, code of Federal Regulation, or Federal Register that identifies the section of code that allows a withholding agent to withhold federal taxes from a human being.

Information Request 13:

An “unmarried individual” can be called an “unmarried person” (since “person” means “individual”) and an “unmarried person” is still a “person”; this “person” must have a “withholding agent” who can legally withhold taxes:

Request 13a: Produce the statute, code of Federal Regulation, or Federal Register describing where a withholding agent can withhold taxes from an “unmarried individual” as described in §1(c) that is NOT a nonresident alien.

Request 13b: Produce the statute, code of Federal Regulation, or Federal Register that allows a tax to be withheld from an “unmarried individual” as described in §1(c) that is NOT a nonresident alien.

Information Request 14:

Title 26 §6301 states the following: “The Secretary shall collect the taxes imposed by the internal revenue laws.”

Request 14a: Produce the document, statute, code of Federal Regulation, or Federal Register, that identifies the tax section or IRS policy that imposes a tax on a human being made of flesh and blood regardless of its source or type.

Request 14b: Please identify the tax section, Federal Register, or code of Federal Regulation that imposes a tax on an “unmarried individual” as described in §1(c) that is NOT a nonresident alien regardless of its source or type.

Information Request 15:

Produce the document (a copy of the badge) that identifies R.A. Mitchell as an IRS employee, Mitchell's full name, full and complete IRS title, employee number and the service center/department at which he/she is currently employed and can be contacted. This document must also include his/her prior work history (department at the agency, boss, years at that department), and all training in which Mitchell has participated.

Information Request 16:

Produce R. A. Mitchell's oath of office.

Information Request 17:

Produce the organization chart that shows R. A. Mitchell's superiors, as well those who report to him/her.

Information Request 18:

Produce the documents showing that each of R. A. Mitchell's superiors concur with the filing of the attached notices of federal tax lien.

Information Request 19:

Produce the documents that show that R. A Mitchell has the authority to sign a "Notice of Federal Tax Lien".

Information Request 20:

Produce the documents showing that R. A Mitchell has the authority to sign a "Notice of Federal Tax Lien" on behalf of Roger Caris, Revenue Officer, Houston, Texas.

Information Request 21:

Produce the documents related to the filing of Notice of Tax Lien #368591307 and #368591407, including, but not limited to, a copy the original tax lien itself and all affidavits supporting the alleged perfection of the lien.

Information Request 22:

Produce R. A. Mitchell's June 2007 calendar, expense account, airline receipts, hotel receipts, and other documentation verifying that he/she was actually in Dallas, Texas on Friday, June 1, 2007 to sign the two "Notice of Federal Tax Liens" and back in the Cincinnati, Ohio on June 12, 2007 to sign the letter.
